About Me

I am a Front-End Developer with 1 year of experience.

I am doing websites and pages responsive to all screens using ReactJs as a framework.

Projects

● Savon-Theme Website

Nov 2021 | Dec 2021

● Dogger Website

Feb 2022 | Mar 2022

● MyReads

1 Dec 2022 | 29 Dec 2022

Graduation Project

● Automated Air-Condition (IOT)

- Make the air-condition work automated without using remote control based on the number of people.

- The application will take a photo of the room and count the number of people in it and will modify the temperature based on the number of people.

● Project Documentation
